

Cobblestone Inn & Suites- Ground Breaking

For Immediate Release

Vinton, IA (January 4, 2010) - Vinton Hotel Group, LLC and BriMark Builders, LLC broke ground on the Cobblestone Inn & Suites. Plans are in place for the new Cobblestone Inn & Suites set to open in summer of 2010. Cobblestone Inn & Suites hotels offer guests the luxurious feel found in upscale hotels, in a small town atmosphere at a mid-scale price. The Cobblestone Inn & Suites hotel is owned by Vinton Hotel Group, LLC and will be operated by Klees Management of Wabasha, MN. This is the first Cobblestone under construction in IA, and there are currently 10 Cobblestone projects that are open or under development.

Each room in the new Cobblestone Inn & Suites will feature all of the modern hotel conveniences, including: microwave, refrigerator, coffeemaker, high-speed Internet access, desks with ergonomic chairs, remote control televisions with cable and HBO, irons, ironing board, and hairdryer. Some rooms will also include whirlpool tubs and king size beds. Handicap accessible and pet friendly rooms will also be available to guests.

The hotel, which will feature an on-site convenience store, beer & wine bar, fitness room, and guest laundry facilities.
